

# CCH Companies

## *Keep track of all your clients' New Zealand company information*

CCH Companies simplifies the compliance process with notifications to ensure annual returns are filed on time, and other regular company activities are appropriately managed.

### Key Features

- **NEW!** Integrated Annual Returns filing to Companies Office directly from the software
- Using CCH Companies reduces AR filing fee: \$33 instead of \$36 (paid directly via DD to NZCO)
- Online cloudware available any time on any device
- Integration with Companies Office
- Content suite of over 300 document templates
- Captures AML information and provides AML reporting
- Fully integrated with CCH iTrust
- Easy to Use Dashboard
- Manage tasks with an Outlook interface
- Client Portal
- Report suite
- Highly cost effective

*"CCH Companies has made a fantastic difference to us as it is just so easy to ensure that directors comply and registers are updated – so thank you for this."*

Judith Burson C.A., DM Gibson

## Import/Integrate

- Companies information is directly imported from NZ Companies Office including: Company details, shareholder/holding details, annual return date, and directors details
- File the AR and update directors details directly with NZ Companies Office

## Documents

Create documents from a selection of **more than 300 templates**, including procedures and online checklists, letters, minutes, resolutions, certificates, reports, share register, directors register, company constitution and AGM documents.

## Add/Edit information

Assign responsibility for: annual return, record directors nationality, place of residence, place and date of birth, directors interests.

## Shares

Transfer and issue shares and create all associated documentation.

## Registers

Create and maintain seven registers including Register of Directors, Register of Directors Interests and Share Register.

## Client Portal

- Your clients can view or download documents related to their company in a secure online environment
- Customisable interface - personalize the portal with your own company logo
- Switch portal on or off as per your preference
